### RESPONSE TO QUESTION 77

Cingular Wireless LLC ("Cingular"), the real party in interest to the assignee, hereby submits this response to Question 77 of the FCC Form 603 concerning allegations against various indirect subsidiaries or affiliates of Cingular. While these cases may fall outside the scope of disclosures required by Question 77, they are nevertheless being reported out of an abundance of caution. In order to facilitate Commission's review of the pending litigation information, pages 3 and 4 of this exhibit are copies of the cases previously reviewed and approved for Cingular in connection with ULS File No. 0001085730, which was granted on December 28, 2002. The current changes are underlined.

On March 7, 2000, *In re Cellular Headquarters, Inc.; Cellular Headquarters, Inc. v. Comcast Cellular Communications, Inc., et al.*, No. 00-1067, was filed in the District of New Jersey. Plaintiff, a current sales agent, alleges a breach of the terms of his franchise agreement due to changes in the commission structure for outside sales agents, the alleged failure to "promote" the sales force through advertising, and anticompetitive steps towards outside sales agents. The court conducted a settlement conference in November. The December 10, 2002 trial date has been cancelled. The parties will seek the bankruptcy court's approval of a tentative settlement agreement.

On January 18, 2001, *Westside Cellular, Inc. d/b/a Cellnet of Ohio v. New Pur*, Case No. 1:01CV0505, was filed in Cuyahoga County, Ohio against the Cincinnati SMSA Limited Partnership ("CSLP"), AirTouch, Verizon, and others, for damages as a result of Defendants' alleged failure to offer to sell cellular services to Cellnet at the same rates as it sold such service to its retail affiliates. Plaintiff had previously obtained an adverse order on the issue of liability from the Ohio PUC against CSLP and AirTouch. A notice of appeal of the Ohio PUC decision was filed with the Ohio Supreme Court on June 25, 2001, asserting that the claims are preempted by federal law. On December 30, 2002, the Ohio Supreme Court affirmed the PUC order, rejecting Defendants' preemption arguments. The trial court likely will schedule trial for early

On November 6, 2001, *Valley Cellular Inc. v. Cingular Wireless LLC*, No. A442136, was filed in the District Court of Clark County, Nevada. Plaintiff is a former exclusive dealer of Defendant's products. On behalf of itself and similarly situated persons, Plaintiff alleges that Defendant inappropriately converted Plaintiff's business for itself by, among other things, opening retail locations immediately adjacent to Plaintiff's retail locations. Plaintiff alleges breach of contract, fraud, interference with prospective economic advantage, and conspiracy, including unfair competition. In response to a motion by Cingular, on February 14, 2002, the Court ordered that the matter be resolved through binding arbitration pursuant to the parties' agency agreement. Although the Court declined to issue a preliminary injunction ordering Plaintiff to comply with the non-compete provision in the parties' agency agreement, it granted a

preliminary injunction enjoining Plaintiff from using Cingular's trademarks and confidential subscriber and business information. On March 20, 2002, Cingular filed a Demand for Arbitration. Plaintiff had twenty days to respond but failed to do so. The parties have agreed upon a single arbitrator.

On March 1, 2002, *United States Cellular Telephone of Greater Tulsa, L.L.C. v. SBC Communications, Inc.*, No. 02CV0163C (J), was filed in the U.S. District Court for the Northern District of Oklahoma. SBC Communications, Inc. and SWB Telephone, L.P. ("SWBT") are defendants. The complaint alleges that because of land use (residential zoning) restrictions, the roof of a telephone building owned by Defendants is an "essential facility" to which Defendants have permitted access by an affiliate (Cingular) while denying access to Plaintiff. Cingular is not a defendant. Among other things, the complaint alleges that Defendants have violated § 2 of the Sherman Act by treating United States Cellular less favorably than Cingular with respect to the claimed "essential facility."

On or around August 23, 2002, an action styled *Millen, et al. v. AT&T Wireless PCS, LLC, et al.* was filed in the U.S. District Court for the District of Massachusetts (Case No. 02-11689 RGS). Cingular Wireless LLC is a named defendant along with several other wireless companies. Plaintiffs seek to certify a class of wireless customers in the Boston metropolitan area. Plaintiffs allege that defendants market handsets and wireless services through tying arrangements and that defendants monopolize markets for handsets. Plaintiffs seek damages and injunctive relief under the Sherman Act.

On or around September 20, 2002, an action styled *Truong, et al. v. AT&T Wireless PCS, LLC, et al.* was filed in the U.S. District Court for the Northern District of California (Case No. C 02 4580). This complaint is similar to the Millen complaint filed in the U.S. District Court for the District of Massachusetts. Cingular has not yet been served.

On or around September 27, 2002, an action styled *Morales, et al. v. AT&T Wireless PCS, LLC, et al.* was filed in the U.S. District Court for the Southern District of Texas (Case No. L-02-CV120). This complaint is similar to the Millen complaint filed in the U.S. District Court for the District of Massachusetts. Cingular has received service.

On or around September 30, 2002, an action styled *Beeler, et al. v. AT&T Cellular Services, Inc., et al.* was filed in the U.S. District Court for the Northern District of Illinois (Case No. 02C 6975). This complaint is similar to the Millen complaint filed in the U.S. District Court for the District of Massachusetts. Cingular has received service.

### RESPONSE TO QUESTION 77

On March 7, 2000, *In re Cellular Headquarters, Inc.; Cellular Headquarters, Inc. v. Comcast Cellular Communications, Inc., et al.*, No. 00-1067, was filed in the District of New Jersey. Plaintiff, a current sales agent, alleges a breach of the terms of his franchise agreement due to changes in the commission structure for outside sales agents, the alleged failure to "promote" the sales force through advertising, and anticompetitive steps towards outside sales agents. Pursuant to a Consent Scheduling Order, the discovery deadlines and trial date have been rescheduled as follows: a settlement conference has been scheduled for November 1, 2002; and trial has been set for December 10, 2002.

On January 18, 2001, *Westside Cellular, Inc. d/b/a Cellnet of Ohio v. New Par*, Case No. 1:01CV0505, was filed in Cuyahoga County, Ohio against the Cincinnati SMSA Limited Partnership ("CSLP"), AirTouch, Verizon, and others. for damages as a result of Defendants' alleged failure to offer to sell cellular services to Cellnet at the same rates as it sold such service to its retail affiliates. Plaintiff had previously obtained an adverse order on the issue of liability from the Ohio PUC against CSLP and AirTouch. A notice of appeal of the Ohio PUC decision was filed with the Ohio Supreme Court on June 25, 2001, asserting that the claims are preempted by federal law. Oral argument has been scheduled for November 13. This damages action has been remanded to the state court which has denied Defendants' request to stay the action pending the appeal. On November 6, 2001, *Valley Cellular Inc. v. Cingular Wireless LLC*, No. A442136, was filed in the District Court of Clark County, Nevada. Plaintiff is a former exclusive dealer of Defendant's products. On behalf of itself and similarly situated persons, Plaintiff alleges that Defendant inappropriately converted Plaintiff's business for itself by, among other things, opening retail locations immediately adjacent to Plaintiff's retail locations. Plaintiff alleges breach of contract, fraud, interference with prospective economic advantage, and conspiracy, including unfair competition. In response to a motion by Cingular, on February 14, 2002, the Court ordered that the matter be resolved through binding arbitration pursuant to the parties' agency agreement. Although the Court declined to issue a preliminary injunction ordering Plaintiff to comply with the non-compete provision in the parties' agency agreement, it granted a preliminary injunction enjoining Plaintiff from using Cingular's trademarks and confidential subscriber and business information. On March 20, 2002, Cingular filed a Demand for Arbitration. Plaintiff had twenty days to respond but failed to do so. The parties have agreed upon a single arbitrator.
